

# Robert Plant, Pink And Black

Hold me - hold me  
I know I used to run around  
Now I'm sure I'll settle down  
Maybe what they say is true  
All those times I had with you  
People said that I won't change  
The song will still remain the same  
I know what you need and so  
Hold me tight and don't let go  
Don't start saying goodbye to me  
Don't start saying goodbye to me

I owe you - hurt a thing or two  
Love me truly - love me do  
I only hope that I'm around  
Well, that's just something downed  
I don't think that lie is true  
But I'll just leave that up to you  
But I know what you need and so  
Come on hold me tight - don't let go  
Better stop saying goodbye breaking my heart  
Don't start saying goodbye breaking my heart

When I tell you that I love  
When I tell you that I care  
When I tell you that I love you  
When I tell you that anyway  
When I tell you that - when I tell you that --  
You know, you really wanna know

Will you try - remember me  
What I've got is what you need  
'Cause I know what you need and so  
Hold me tight and don't let go  
Stop saying goodbye breaking my heart  
Stop saying goodbye breaking my heart --
