

ROBIN SCHULZ & MARC SCIBILIA, UNFORGETTABLE

i couldn't tell you a thing about that night
between the drinks and the blinding lights
but even if just for a moment or two
I danced with you /3x
stumbling onto an empty street
almost escaping my memories
but in the morning when I came to
I thought of you /3x

every step I take
everywhere I go
I see your face
unforgettable
Every heart you break
you will never know
I see your face
unforgettable

unforgettable
unforgettable

of every beautiful lie that I've been told
your is the one I like the most
your is the one that I hold so close
give up the ghost /3x
it was just one night /2x
now I can't go off of my mind
it was just one time /2x
Even if you'll never be mine

every step I take
everywhere I go
I see your face
unforgettable
Every heart you break
you will never know
I see your face
unforgettable
