

# Robin Thicke, Can U Believe

Nothing can make you high  
Or put fire in your eyes  
Or give you a chance to fly  
When you need the wings  
When all that you've got is doubt  
And nothing can stop you from feeling down  
But oh I know, I know exactly how you feel

But can you believe now  
When you're on your knees now  
Begging and pleading now  
Can you believe  
When all that you've got is doubt  
And no one to pull you out  
When your heart is slowin down  
Can you believe

See the person I love the most  
Is so far away tonight  
And no other medicine or promise is  
Gonna heal me up right  
But I got to believe  
That her and me  
Will be together  
'Cause that's all I got  
And oh, I know  
When you're down at the bottom  
Can you believe

Can you believe when all hope seems gone  
When your mother and father can't keep you safe from harm  
Can you forgive in your heart  
Can you ask for forgiveness  
When nobody else believes can you believe  
Can you believe in yourself

If nobody's watchin'  
You will never know  
If somebody's watchin'  
You will never know  
If nobody's watchin'  
You will never know  
If somebody's watchin'  
You will never know  
If nobody's watchin'  
You will never know  
If somebody's watchin'  
You will never know
