

# Robin Williamson, The Water Song

Water, water  
See the water flow  
Glancing, dancing  
See the water flow  
Wizard of changes  
Teach me the lesson of flowing  
Dark and silvery  
Mother of life  
Water. water  
Holy mystery  
Heavens daughter  
Wizard of changes  
Teach me the lesson of flowing

God made a song  
When the world was new  
Waters laughter  
Sings it through  
Wizard of changes  
Water. water, water
