

# Robyn, Moonlight

Oh baby no, dont you go, let them wait

Oh baby no, dont you go, baby stay...

Verse 1:

Dont know the time but I feel youre getting out of bed

The way you felt last night I wanna feel it again

Oh baby no, dont you go, let them wait

Baby dont leave me alone, please stay

Chorus:

Through the moonlight, sunshine

We can go on and on, Ill be holding you close

Through the moonlight, sunshine

Here in a world of our own

Baby dont go

Verse 2:

You say youve got things to do gotta get on with your day

I say but think of the things we could do if you stayed

No I dont wanna be on my own

Baby dont leave your baby alone
