Rock N Roll Worship Circus, A Beautiful Glow

everyday i've lived alone from You separated from the Love i knew and no one else can tell me how to feel 'cuz there has never been a love more real - than anyone but You...

so come on, come on and open me, there's A Beautiful Glow for You to see (You're livin' in a heart made for me to shine for You...to shine through me)

with Your glory spinning in my mind and Your lovely lighting up my eyes i have never known a Love so true and i could never give my heart away to anyone but You to anyone but You... and all i have is all i am in You (all i am is all i have in You) and all i have is all i am in You (all i am is all i have)
