

# Rock The SAT, Imagination

Love is so elusive  
Cleverly avoiding me  
I search for a blueprint  
A detailed plan to make you see  
Don't you know I'm yearning  
Longing for your eyes on me  
Hear my lamentation  
It's the expression of my grief

Love has been so injurious to me, it's caused me harm and tension  
But I've a premonition, a feeling something soon may happen

Use your imagination  
High and lofty visions  
Dance inside my head  
Heed my praise and adulation  
Don't you terminate this  
Don't make this the end

Love's my panacea  
The cure-all for my needs  
Lately I've been poisoned  
And you're my antidote it seems  
Don't exploit my weakness  
Don't you take advantage of me

Try not to insult or deride me  
Respect my vulnerability

Love is only known by a chosen few, it seems so esoteric  
It makes me melancholy and blue, if that's love then how ironic

Use your imagination  
High and lofty visions  
Dance inside my head  
There's no time for inhibition  
Don't hold back your emotions  
Let your love shine through

I may not speak your language  
Don't know your jargon  
I might be so gullible, I'll believe in anything and everything  
I'll verify my love for you  
I'll prove it true  
I'll prove it true

Use your imagination  
High and lofty visions  
Dance inside my head  
Act upon your own volition  
Choose what you want to do  
It's what I want too

I want to be with you  
Let your love shine through  
Let it emerge from you
