

# Rocket From The Crypt, I Can't Feel My Head

I can't feel my legs, I can't feel my legs  
I can't feel my legs but I don't miss them  
I can't feel my head, I can't feel my head  
I can't feel my head but I don't miss it  
Oh I wanna do it again...  
And for once I believe that I belong...  
I can't feel my arms, I can't feel my arms  
I can't feel my arms, I wanna flip this out  
I can't feel my head, I can't feel my head  
I can't feel my head, oh what a relief  
Oh I wanna do it again...  
And for once I believe that I belong...
