

Rod Stewart, It Takes Two

(Sylvia Moy, William Stevenson)

One can have a dream baby
Two can make a dream so real
One can talk about being in love
Two can see how it really feels

One can wish upon a star
Two can make a wish come true
One can stand alone in the dark
Two can make a light shine through

It takes two baby
It takes two baby
Just me and you
You know it takes two

One can have a broken heart living in misery
Two can really ease the pain like a perfect remedy
One can be alone in a bar like an island he's all alone
Two can make just any place seem just like bein' at home

It takes two baby
It takes two baby
Just me and you
You know it takes two
It takes two baby
It takes two baby
just me and you
You know it takes two

It takes two baby
It takes two baby
Just me and you
You know it takes two

One can go out to a movie looking for a special treat
Two can make that single movie something really kind of neat
And one can take a walk in the moonlight thinking that it's really nice
But two lovers walking hand in hand is like adding just a pinch of spice

It takes two baby
It takes two baby
Just me and you
You know it takes two
It takes two baby
It takes two baby
Just me and you
You know it takes two

It takes two baby
It takes two baby
Just me and you
You know it takes two
