

Rodlund & Hewie, Without You (The Moose) feat

Holding on,
It's just another day, another day
Holding on,
it's just another day without you.

My heart's gone
It's dark now
It feels like the end of the show
Been so long, since I've been in love
Or is this the end of the road?

I'm holding on,
It's just another day,
Just another day.
I'm holding on,
It's just another day without you (you /20x)
It's just another day without you!
