

Roger Hodgson, I'm Not Afraid

Oh, what a way to go
We're goin' down slow
We're movin' to the rhythm
We're letting it flow
We're steppin' out of time
It's freaking your mind
We're livin' in the body
And we're doin' just fine

Tell me, tell me that you love me
Tell me, where's ya milk and honey
You know we're doin' alright

Well, round and round we go
We're goin' down slow
We're shakin' to the rhythm
We're letting it flow
We're not afraid of time
Its imprisons your mind
We're livin' in the body
And we're doin' just fine

Tell me, tell me that you love me
Tell me, where's ya milk and honey
'Cause we're doin' alright
Tell me, tell me that you love me
Tell me, where ya milk and honey
You know we're doin' alright

I'm not afraid of nothing
I'm not afraid to cry
I'm not afraid to live
I'm not afraid to love
I'm not afraid to die

I'm not afraid of laughter
I'm not afraid of tears
I'm not afraid to look
I'm not afraid to learn
I'm not afraid to hear

I'm not afraid of darkness
I'm not afraid of night
I'm not afraid to win
I'm not afraid to lose
I'm not afraid fight

I'm not afraid of anger
I'm not afraid of war
I'm not afraid to live
I'm not afraid to die
I'm not afraid at all

'Cause it's a time for singing
And it's a time to dance
And it's a time to run
And it's a time to jump
And it's a time to chance

It's a time for giving
And it's a time to care
And it's a time to choose
And it's a time to do
And it's a time to dare
