

Roger Miller, Our Hearts Will Play The Music

I don't like to do things I don't like to do I like to do just what I please
And if that pleases you then we can make music
Yeah we can make music to make the rafters ring
Our hearts will play the music for the songs our lips will sing

I don't care to go places I don't care to go I like to go just where I please
If that pleases you...

[ac.guitar]

I don't like to think things I don't like to think I like to think just what I please
If that pleases you...
Our hearts will play the music for the songs our lips will sing
