

# Roger Miret And The Disasters, Give 'em the Boot

Chaos on the streets  
What a price to pay for glory  
Loud, proud, and punk  
Just another East Side Story

1 to start the fight  
3 to do it right  
Bottle to the head  
Boot between the eyes

The story of my life!

Back with a bang now! Oi! Oi! Oi!  
Taking back the street with fury  
Blood, sweat and guts  
Yeah another East Side Story

Get ready for your life!

In the streets we're gonna fight for glory  
Fist to fist we'll end the stories  
yeah I ain't never been sorry  
And when in doubt I'll knock 'em out  
Give 'em the boot, give 'em the boot now!

Give 'em the boot, give 'em the boot now!  
And when in doubt just knock 'em out!
