

Roger Sanchez, You Can't Change Me

You can't change me
Or rearrange me
Don't waste your time baby can't you see?
That you can't change me

You can't change me
Or rearrange me
Don't waste your time baby can't you see?
That you can't change me

24-7
You keep stressing me
To do the things I don't wanna do
Or be something I don't wanna be
Well let me tell you something
I ain't a bird in your cage
You can run that game on someone else
Cause it ain't never gonna work on me
Don't you know?

You can't change me
Or rearrange me
Don't waste your time baby can't you see?
That you can't change me

You can't change me
Or rearrange me
Don't waste your time baby can't you see?
That you can't change me

When we first got together
I told you how it would be
You said it's all good and you understood
Now I see you feel differently
You say I love my music more than you
And that's not cool
And you don't appreciate being second rate
Cos you feel like a fool
Well maybe you might as well tell me now
If you wanna breakup
Or be down
Cause now you know the deal
Let's keep it real
It may not be what you wanna hear
But baby you know

You can't change me (you can't change me)
Or rearrange me (or rearrange me)
Don't waste your time baby can't you see? (don't waste your time)
That you can't change me (baby, don't waste your time)

You can't change me (you can't change me)
Or rearrange me (ooh-oh, or rearrange me)
Don't waste your time baby can't you see? (no no no no)
That you can't change me

Baby you can't change me baby, oh no no...

Oh oh, e-yeah-yeah
You can't change me, rearrange me
So baby, don't waste you time (you can't change me)
Ooh-ooh-yeah
(You can't change me)
You keep stressing me

24-7 baby (You can't change me)
Want me to do the things
Ooh-yeah-heh

Well, let me tell you something baby
hey-hey-he-yeah-yeah
I ain't no bird in your cage
You can't run that game, e-yeah
Run that game with someone else baby
eh-yeah-yeah, oh
I tell ya 24-7 baby

(You can't change me
Or rearrange me
Don't waste your time baby can't you see?
That you can't change me)

You can't make me do the things I don't want to do
Well, let me tell you somethin baby, let me tell you something,
You can't make me do the things you want me to...
