

Rogue Wave, 10:1

curious talk at the photomat
do you really think you're all that?
with your head down
you're 10 to 1

we don't need to read or rhyme
only breaking down maybe half of the time
what you couldn't fit
you're 10 to 1
for me
for me

what are you offering? (x3)
freeing my mind

with your head down
you're 10 to 1 (x6)

no l...
no
aw oh aw ooooh

you're fine

you're 10 to 1
freeing my mind
lay 'em by-nd (?)

free your mind
