

# Ronnie Milsap, Are You Lovin' Me (Like I'm Lovin'

Have you ever felt like every eye's on you  
Well, that's the way I feel when you walk into a room  
And have you ever felt like making love all day  
Well, that's the way I feel when you're loving me this way.

And I wonder what it is to feel like you  
To know someone worships every thing you do  
Oh, and even though I know your love is true, yes I do  
Sometimes I wonder if you're lovin' me like I'm lovin' you?

Have you ever loved so much it hurt inside  
Well, that's the only way my love can be described  
And have you ever known how cold this world can be?  
Well, all I know is how cold it was until you came to me.

Oh, and I wonder what it is to feel like you  
To know someone worships every thing you do  
Oh, and even though I know your love is true, yes I do  
Some times I wonder are you're lovin' me like I'm lovin' you?

Are you lovin' me like I'm lovin' you?  
Are you lovin' me like I'm lovin' you?  
Are you lovin' me like I'm lovin' you?  
Oh, I wonder, are you lovin' me like I'm lovin' you?  
Oh, I wonder?...
