

# Ronnie Milsap, Carolina Dreams

(Kye Fleming - Dennis Morgan - Marie Tomlinson)

I can smell the pines, sweet Carolina's on my mind  
I still feel that mountain breeze, whisperin' through the trees  
Tears fell from her eyes, I held her as we said goodbye  
She knew I didn't want to go but here I am tonight alone.

Dreaming Carolina dreams in Tennessee  
And someday soon I'll have her here with me  
Until then she knows I miss her and tonight I'll go to sleep  
Dreaming Carolina dreams in Tennessee.

The cotton mill shut down, they laid off folks for miles around  
I had to leave to find some work, the hardest part was leaving her  
Nashville Tennessee, it'd be beautiful if she was with me  
But alone it's just another place till I close my eyes and see her face.

I'm dreaming Carolina dreams in Tennessee  
And someday soon I'll have her here with me  
Until then she knows I miss her and tonight I'll go to sleep  
Dreaming Carolina dreams in Tennessee.

Though we're miles apart we're sharing the same moon  
When it's shining on her it's shining on me too.

--- Instrumental ---

I'm dreaming Carolina dreams in Tennessee  
And someday soon I'll have her here with me  
I'm dreaming Carolina dreams  
Carolina dreams, Carolina dreams...
