

Rooster, Angels Calling

You and I, we were one
And i swore i'd stay forever
But they say all good things come to an end, my friend
Now its time to move on, but dont think that this is easy
Cause its hard to be leaving you behind, but you'll be fine

Oh, so if you believe, say a prayer for me
I wont be here tomorrow, somewhere i gotta be
Things you want to say, save it for another day
Cause i can hear the angels calling, angels calling for me

Does it help, if i say
That i'm really truely sorry, and that i never meant for it to end, this way
There's a place in your heart, where you know you'll always fid me
And i'll be wherever you are, near or far

Oh, so if you believe, say a prayer for me
I wont be here tomorrow, somewhere i gotta be
Things you want to say, save it for another day
Cause i can hear the angels calling
Angels calling for me

Oh, so if you believe, say a prayer for me
I wont be here tomorrow, somewhere i gotta be
Things you want to say, save it for another day
Cause i can hear the angels calling
Angels calling for me

But you and I, we were one
And i swore i'd stay forever
But they say all good things come to an end...
