

Rosalie., Holding back

tell me if you need some time for this
tell me you be right back for this
I keep holing back for this
I can't forget her obviously
I keep holing back for time we missed

I'm recoiling every time
when you watch my beck
I you do it for real
I will cover you as
I can't stop holding on to this
I can't forget her obviously
I keep holing back for time we missed

so tell me if you
keep forever
I;m lonely so make sure
I hold you back

....

tell me if you need some time for this
tell me you be right back for this
I keep holing back for this
I can't forget her obviously
I keep holing back for time we missed
