Rosemary Clooney, Corcovado (Quiet Nights)

(Antonio Carlos Jobim/Gene Lees)

Quiet nights of quiet stars Quiet chords from my guitar Floating on the silence that surrounds us

Quiet thoughts and quiet dreams Quiet walks by quiet streams And a window looking on the mountains and the sea, how lovely

This is where I want to be Here with you so close to me Until the final flicker of life's ember

I who was lost and lonely Believing life was only A bitter tragic joke, have found with you The meaning of existence, oh my love

This is where I want to be Here with you so close to me Until the final flicker of life's ember

My world was dull each minute Until I found you in it And all at once the happiness I knew Became these quiet nights of loving you
