

# Ross Copperman, I get by

Oh what am i gonna do?  
I'd give up everything.  
For just one day with you.  
Look, what you put me through.  
My heart is giving up if you only knew.  
I'm standing on ceiling  
losing all my feelings  
Living my life.  
One day at a time  
But i get by.  
What a way of thinking  
nothing to beleive in  
gotta let go  
push you out of my mind.  
I get by  
yeah, yeah  
So, what's it gonna take?  
To get bak on my feet,  
I threw it all away.  
Love it broke a part of me.  
And now you standing there  
How's it gonna be?  
I'm standing on ceiling  
losing all my feelings  
Living my life.  
One day at a time  
But i get by.  
What a way of thinking  
nothing to beleive in  
gotta let go  
push you out of my mind.  
I get by.  
oh oh i get by.  
ohh yeah don't i get by.  
I'm standing on ceiling  
losing all my feelings  
Living my life.  
One day at a time  
But i get by.  
What a way of thinking  
nothing to beleive in  
gotta let go  
push you out of my mind.  
I get by.  
Running and I'm dealing.  
i gotta stop drinking,  
wasting my life,  
get you out of my life,  
but i get by
