

Roxette, I Don't Want To Get Hurt

In everything I see you appear with me, how come? How come?
And everything I do involves you too. We are like one.
In my life there has been so many changes
and I don't want to be left out in the rain

I don't want to get hurt, I've done my time.
All I want from you is to tell the truth.
I don't want to get hurt no more this time.
I don't want to go blind and find it's falling apart all the time

In the middle of a dream you are there for me, your face, your lips.
But there's no way you can tell cos I hide it really well, so well.
In my life there has been loving and lying
and I don't need another reason to cry

I don't want to get hurt...
I don't want to go blind and find I'm falling apart one more time.
