

Roy Drusky, Geisha Girl

Have you ever heard a love song that you didn't understand
For you've met her in a teahouse on the Island of Japan
And have you ever traveled over many thousand miles
To see a pretty Geisha girl dressed in Oriental style
They read it in the Tealeaves and it's written in the sand
I found love by the heartfelt in a foreign distant land
Tell the homefolks that I'm happy with someone that's true I know
I love a pretty Geisha girl where the ocean breezes blow

I have stood and watched the sunrise from the waters of the sea
And wondered how much beauty in this whole world can that be
My dreams are all worth dreaming and it makes my life worth while
To see my pretty Geisha girl dressed in Oriental style
They read it in the Tealeaves...
