

Roy Drusky, My Love

My love is warmer than the warmest sunshine softer than a sigh
My love is deeper than the deepest ocean wider than the sky
My love is brighter than the brightest star that shines every night above
And there is nothing in this world that can ever change our love

Something happened to my heart the day that I met you
Something that I never felt before

(You are always on my mind no matter what I do
And every day it seems I want you more)

Our love is warmer...

[banjo]

Once I thought that love was meant for anyone else but me

Once I thought you'd never come my way

(Now it only goes to show how wrong we all can be

For now I have to tell you every day)

Our love is warmer...

Our love is warmer...
