

Roy Orbison, Rollin' On

Wagons loaded full up ain't got time to pull up
On my way to Frisco back to San Fransisco
Rolling on Rolling on to San Fransisco
Rolling on to Frisco bay

Rolling on and lady luck is getting bolder
the high sheriff man looking over my shoulder yeah
Rolling on, Rolling on, Rolling on

Kicking up the hot dust San Fransisco or bust
Don't want to delay now hey I'm on my way now
Rolling on Rolling on to San Fransisco

Rolling on to Frisco bay

Rolling on and lady luck is getting bolder
the high sheriff man looking over my shoulder yeah
Rolling on, Rolling on, Rolling on

Born a loser not me ain't no troubles got me
Can't afford to be late San Fransisco won't wait
Rolling on, Rolling on
