

Royal Hunt , Total Recall

We gave this pain to the world which we can't understand
Blood disappears like the raindrops when hitting the sand
Eye on the Bible and hand on the gun-wandering comes to an
end
Fight in the name of your god and his son-wait for the
final command:

Total Recall - we saw it all,we took it all protected by
the law

Total Recall -we torched another life we'll never know
Total Recall - we shot it all we burned it all and now it's
time to go

Wish for redemption and peace's never crossing our mind
Blood on the bricks - that's all that we're leaving behind
Pictures of home disappearing in flames.Mission's complete
In the end there's nothing to lose,we're ready to go-
wait for the final command - "Total Recall".
