

# Royal Hunt, Wasted Time (Live)

You're out huntin' if I am the prize – so roll the ball  
I'm like a mad dog, keep fightin' – back against the wall

Come on I'll show you the world you've never seen  
Come on I'll teach you good fight is when you win  
(So listen up)

Wasted time – Like a poison in my wine, I call it...  
The perfect crime – Like a bullet in the back, it search you  
Time is runnin' out it hurts you  
Goin' down because of wasted time

I'll keep on tryin – NO ONE ALLOWED – I'm out too late  
See losers cyrin' – the sort of thing I use to hate.
