

Rudimental, Healing (feat. Joseph Angel)

All I need from you is all your love
And I know exactly what you want babe
I'ma give you this healing healing healing all night ;)
I've been riding with you all night long
And we gonna lay upon the throne babe
Everybody is feelin' feelin' feelin' alright

Gonna get with a minute
Take some good help again
If you found love then it ain't my fault
That don't walk on walk hey
Gonna get with a minute
Take some good help again
If you found love then it ain't my fault
That don't walk on walk hey
Gonna get with a minute
Take some good help again
If you found love then it ain't my fault
That don't walk on walk hey
Gonna get with a minute
Take some good help again
If you found love then it ain't my fault
It's alright
