(D.M.C.)

Crack, crack, cracks in the cradle
Cracks, in the cradle
Cracks in the cradle, cokes in the spoon
Little Boy Blue higher than the moon
Will he, will he want a weapons, will he wanted the wound
I come to school and lay down the rules
Two, two, two channel empty guzzle, brake gallons of drop
Shorty wit the forty, once sport in the dark
Co-co-corner, black as a goner
Didn't really wanna call my momma in Savannah

(Mike Ransom)

I spit dynamite ignite turn off lights
Recite, spit poetry type, get my squad physically hype
Get a hundred blast from Funkmaster, crush ya life
+Blast+ Time to go now, show these fake rappers the way to go down
Down With The Kings, like Smokey down wit Motown
Who wanna come and see, come and test me
Take about a million MC's to wet me
For Run-D.M.C. I let shells fly, freein the five
Wit the red eye, niggas talkin to much
Tape 'em up, leave 'em hog tied

(Kenny Cash)

You thinkin about it way to hard, how to get down wit the Gods Kenny Cash, the Bronx cat, but it'll ride wit gats
Peep chicks huggin the sacks, yours scratchin the back
