## Runemagick, Curse of the Dark Rune

what dwells in the ancient spell the truth in the darkness beyond signs carved in millennium stone secret spawn of the shadow

oh, i can feel the power curse of the dark rune

the past speaks thru the signs whispering from the forgotten the triumphant flame will rise as the weak now die

oh, i can feel the power curse of the dark rune

curse == let the wrath free

curse == the curse of the dark rune

curse == let the wrath free

curse == the curse of the dark rune
