

# Running Wild, Return Of The Dragon

[Rolf Kasperek]

Only when the last dragonslayer has been layed by the heels  
And his demonic soul is melting in the holy flames of eternal truth  
The dragon's kingdom will return to free the enslaved soul from his shackles of hate  
That will be the time, when the Serpent loses its tongue and its head!!

The kiss of the Serpent brings darkness and torment  
They fight the defender with treason and slander  
Seducing to blindness, souls getting mindless  
They're slaying the dragon, the're hunting the pagan

When the unerring law of the dragon returns, to wipe away all the pain  
The Serpent is banned and the soulless will burn, the root of all evil to tame

No resurrection with evil's attraction  
Denying its spell, might save you from hell

When the unerring law of the dragon returns, to wipe away all the pain  
The Serpent is banned and the soulless will burn, the root of all evil to tame

The death of all badness brings the end of all madness  
Misleading liars, they will burn in the fires

When the unerring law of the dragon returns, to wipe away all the pain  
The Serpent is banned and the soulless will burn, the root of all evil to tame
