

# RuPaul, Back To My Roots

this is a special shot going out to my mama, ms. ernestine charles.  
mama used to do people hair in the kitchen,  
press and curl, hot curlers, everything,  
i love you mama

black hair is a revolution  
cornrows...uh,uh honey, i am tender-headed  
jheri curls...style sophistication  
afro puff...ah ooh ah, ah ooh ah  
hair weave...call her miss ross  
braids...pride, respect  
extensions...more of a 90's fashion  
asymmetrical shroom...banji girl

i'm going back, back, back to my roots  
where my love can be found and my heart rings true  
i'm going back, back, back to my roots  
to the time and the place, coming back to you

black hair is a revolution  
finger wave...a classic extravaganza  
press and curl...never mix, never worry  
flat top fade...very contemporary  
nail sculpture...urban distinction  
hot comb...ouch mama, that was my ear  
blow out kits...oh, oh tamba  
no lye relaxer...fried dyed and laid to the side

i'm going back, back, back to my roots  
where my love can be found and my heart rings true  
i'm going back, back, back to my roots  
to the time and the place, coming back to you

now mama got her own salon down on auburn ave,  
and if you wanna know what's happening in atlanta  
just go to the salon, that's to you and all y'all down there,  
brothers and sisters, miss earlene, lizzy dean, renetta,  
little baby boy, tone tone, leo-nard, k-ron, cornisha  
peace to all my brothers and sisters,  
peace, love and hair grease.
