

# RuPaul, Supermodel (\*)

(Once upon a time  
There was a little black girl  
In the Brewster Projects of Detroit, Michigan  
At fifteen,  
She was spotted by an Ebony Fashion Fair talent scout  
And her modeling career took off)

You better work

You better work  
(Cover girl)  
Work it, girl  
(Give a twirl)  
Do your thing  
On the runway  
Work  
(Supermodel)  
You better work it, girl  
(Of the world)  
Wet your lips  
And make love to the camera

Work  
(Turn to the left)  
Work  
(Now turn to the right)  
Work  
(Sashay, shant)  
Work  
(Turn to the left)  
Work  
(Now turn to the right)

(Sashay, shant)

It don't matter what you wear  
(It doesn't matter what you wear)  
They're checking out your savoir faire  
(Yeah)  
And it don't matter what you do  
'Cause everything looks good on you  
(Supermodel)

You had everybody's eyes on you  
(Supermodel)
