## Rush, Anthem

Know your place in life is where you want to be Don't let them tell you that you owe it all to me Keep on looking forward...no use in looking 'round Hold your head above the ground and they won't bring you down

Anthem of the heart and anthem of the mind A funeral dirge for eyes gone blind We marvel after those who sought The wonders of the world, wonders of the world Wonders of the world they wrought

Live for yourself...there's no one else More worth living for Begging hands and bleeding hearts will only cry out for more

Well, I know they've always told you Selfishness was wrong Yet it was for me, not you, I came to write this song
