

Russ, BANKRUPT

I left a long time ago
But now i really think that it's time to go
I don't feel the same love
My heart is bankrupt

It's after 2 o'clock in the am Zoning
I think it's time to stop
All the waiting and hoping
For it to get better
It's time that i forget her
It's only been a week long
Still hard to speak on
Burden on my soul took a toll had to lift it
Take another sip
Another puff now i am lifted
It's time to move on
I stayed too long
I love you
But i gotta let you go

I left a long time ago
But now i really think that it's time to go
I don't feel the same love
My heart is bankrupt
