Shawty want one tap I'm a badman, tap I'm a badman  
Shawty want one tap I'm a badman, tap I'm a badman

They love ..... and they love Tintim (Yeah)  
Gang bang if a opp want him  
Bang, bang, bang  
Beamers, creamers, i need them (Creamers)  
One bad bitch just one night (Yeah)

Shawty want one tap I'm a badman  
They love .... and they love Tintim (Yeah)  
Gang bang if a opp want him  
Bang, bang, bang  
Told ninnas, twist my fingers  
Turn rappers into singers (Come on)  
One bad move would've cost your life (Brrt, brrt, brrt, brrt) (Pow, pow, pow)

The look in the ass, she won't far tonight  
Kiss on the forehead, give her butterflies (Yeah)  
Up to the morning, makeup, I said: "Why?"  
One of a kind

Coming to the party, I'm bringin' that [?] out

AK hold ... she coming on me  
... dick in her, ....knees (Knees)  
Make ....  
She eat ... everyday of the week (Everyday of the week)  
Money making was taken I used to trap out of....  
The drugs got me sedated  
Like Kobe we fading  
....

[Chorus: Russ Millions & NLE Choppa]
