

# Ry Cooder, Footprints In The Snow

Well, some folks like the summertime they can walk about  
Strolling through the meadow green it's pleasant there's no doubt  
But to me the wintertime is the best of all  
'Cause I found her when the snow on the ground

Now, I traced her little footprints in the snow  
I found her little footprints in the snow  
I bless that happy day when Nellie lost her way  
'Cause I found her when the snow was on the ground

Now the Ladies Garment Workers walked out last wintertime  
One little union kitty was a dear sweetheart of mine  
She walked around all winter on the picket line  
But I found her when the snow was on the ground

Now, the Union Strike Committee didn't like me hangin' round:  
Don't interfere with sisters while the strike is on  
Don't go around behaving like a ring-tailed tom  
But I found her when the snow was on the ground

'Cause I traced her little footprints in the snow  
I found her little footprints in the snow  
And I bless that happy day when Nellie lost her way  
'Cause I found her when the snow was on the ground

She's somewhere out there marching with the union band  
We'll get back together when the pension check comes in  
But every time the snow falls, it brings back memories  
'Cause I found here when the snow was on the ground

I traced her little footprints in the snow  
Yah, I found her little footprints in the snow  
I bless that happy day when Nellie lost her way  
'Cause I found her when the snow was on the ground
