Ryan Adams, Silver Bullets

I can't find the gun
It's only getting worse
So I get loaded up
On silver bullets

And I can't see the sun
I know it's gone away
I can't be the one
If you won't let me stay

So go draw yourself a bath
And find the kitchen drawer
Cause you can't make me smile
Anymore

And I can't see the sun
I know it's gone away
And I can't be the one
If you won't let me stay

So honey, go find the gun
I think it's in your purse
And get loaded up
With silver bullets

And I can't see the sun
I know it's gone away
And I can't be the one
You can't make me stay
