

Ryan Malcolm, Nothing Left To Say

I've been lookin on the bright side
I've been tryin to remember
I've been thinkin of the good times
but they seem so far away
and you used to be someone
that I could always count on
but now you only count on me

It's like I dont even know you
and you don't even care
it's like I lost you somewhere

and I,
try to be your friend
and I'm doing the best I can
but sometimes I don't understand
why you
why you're asking me to stay
when you're pushing me away
in a silence here between us
there's nothing left to say

Woo, there's nothing left to say

day and day out
I've been hoping things would change
I've been showing you a way out
but you slammed the door on me
you used to be someone
that laughed until you cried
and now you just cry
you just cry, and....

It's like I dont even know you
and you don't even care
it's like I lost you somewhere

and I,
try to be your friend
and I'm doing the best I can
but sometimes I don't understand
why you
why you're asking me to stay
when you're pushing me away
In a silence here between us
there's nothing left to say

So how long should I try
to break my way inside
and drag you back into the light

cause it's tearin me apart
and I'm feeling I should start
thinking of you

and I try to be your friend
and I'm doin the best I can

there's nothing left to say

I'm tryin to be your friend
and I'm doing the best I can
but sometimes I don't understand
why you

why you're asking me to stay
when you're pushing me away
In a silence here between us
there's nothing left to say

I'm tryin to be your friend
and I'm doing the best I can
but sometimes I don't understand
why you
why you're asking me to stay
when you're pushing me away
In a silence here between us
there's nothing left to say
