

Ryan Shupe & The RubberBand, Please Be Mine

I've never felt like this before
I've never know my heart could soar
I've never know what I now know
I never knew how much I'd need you don't go, go, go

I've never known a love so true
As the love I've found in you
I've never seen me act this way
I never knew how much I'd need you please stay, stay, stay

So Please be mine, one more time, and I'll be fine
Please be mine, one more time, and I'll be fine

I never meant to be so blind
meant to be unkind I never
Please be mine I promise to
I'll never leave again if I have you, you, you

So Please be mine, one more time, and I'll be fine
Please be mine, one more time, and I'll be fine

I Don't know just what to say to make you change your mind
Seems like I've asked you now at least a thousand times
Oh can't you see, I am lost without you, stumble and I fall
I'm begging please, please, please

So Please be mine, one more time, and I'll be fine
Please be mine, one more time, and I'll be fine
