

# Ryan Star, Last Train Home

You haven't changed  
Stand in the light  
I need to see you  
Uncover my eyes

The tears coming down  
Making lines on your face  
One for each year, now  
That you've been away

We were only kids  
We ran like water  
Your dad said  
Stay away from my daughter  
The sun was coming down when I said  
Can't you just believe?

And if you wait for me  
I'll be the light in the dark if you lose your way  
And if you wait for me  
I'll be your voice when you don't know what to say  
I'll be your shelter  
I'll be your fate  
I'll be forever  
Wait for me

I'll be the last train  
I'll be the last train home

You were a storm  
It blew us away  
I wouldn't leave you  
But you couldn't stay

We were only kids  
We ran like water  
Your dad said  
Stay away from my daughter  
The sun was coming down when I said  
Can't you just believe?

And if you wait for me  
I'll be the light in the dark if you lose your way  
And if you wait for me  
I'll be your voice when you don't know what to say  
I'll be your shelter  
I'll be your fate  
I'll be forever  
Wait for me

I'll be the last train  
I'll be the last train home

We were only kids  
We ran like water  
I told your dad  
I love your daughter  
The sun was coming down when I said  
Hallie just believe

And if you wait for me  
I'll be the light in the dark if you lose your way  
And if you wait for me  
I'll be your voice when you don't know what to say

I'll be your shelter  
I'll be your fate  
I'll be forever  
Wait for me

I'll be the last train  
I'll be the last train  
Hold on to love  
And wait for me

I'll be the last train  
I'll be the last train home

I'll be the last train  
I'll be your last train home
