Ryan Star, Last Train Home

You haven't changed Stand in the light I need to see you Uncover my eyes

The tears coming down Making lines on your face One for each year, now That you've been away

We were only kids We ran like water Your dad said Stay away from my daughter The sun was coming down when I said Can't you just believe?

And if you wait for me I'll be the light in the dark if you lose your way And if you wait for me I'll be your voice when you don't know what to say I'll be your shelter I'll be your fate I'll be forever Wait for me

I'll be the last train I'll be the last train home

You were a storm It blew us away I wouldn't leave you But you couldn't stay

We were only kids We ran like water Your dad said Stay away from my daughter The sun was coming down when I said Can't you just believe?

And if you wait for me I'll be the light in the dark if you lose your way And if you wait for me I'll be your voice when you don't know what to say I'll be your shelter I'll be your fate I'll be forever Wait for me

I'll be the last train I'll be the last train home

We were only kids We ran like water I told your dad I love your daughter The sun was coming down when I said Hallie just believe

And if you wait for me I'll be the light in the dark if you lose your way And if you wait for me I'll be your voice when you don't know what to say I'll be your shelter I'll be your fate I'll be forever Wait for me

I'll be the last train I'll be the last train Hold on to love And wait for me

I'll be the last train I'll be the last train home

I'll be the last train I'll be your last train home
