

S Club, Dangerous

Hey Oooo

I dont think I can fight it
Cause my body gets over excited next to you
yeah yeah yeah
And I find it kinda strange
Cause I hardly even know you but you wretch my heart in such a beautiful way.

Every little thing you say
Every little move you make
I gotta watch my step
Or I'll do something I'll regret

Keep your love away from me
Cause you know it could be dangerous
Theres no guarentee what you get from me
Keep your heart away from me
Cause you know that I am serious
And I cant pretend that youre just my friend

yeah yeah yeah Ooooo

Its a scary situation
when youre drowning in temptation
and your hands are tied
Oooo
but the chemistry's too strong
dont pretend theres nothing going on
Theres no escape Youre always there on my mind

Did you really think Id be
staring at you innocently?
You must be thinking of somebody else
Someone just like yourself

Keep your love away from me
Cause you know it could be dangerous
Theres no guarentee what you get from me
Keep your heart away from me
Cause you know that I am serious
And I cant pretend that youre just my friend

Keep your love away from me
Cause you know it could be dangerous
Theres no guarentee what you get from me
Keep your heart away from me
Cause you know that I am serious
And I cant pretend that youre just my friend

And now I really think
The time has come for me to be straight with you
(Tell ya how it is boy)
Its a sharade (its a sharade)
A part that I play (that I play)
I dont wanna be confused
with someone that Im not lovin'

Keep your love away from me
Cause you know it could be dangerous
Theres no guarentee what you get from me
Keep your heart away from me (keep it away)
Cause you know that I am serious (Im serious serious yeah)

Keep your love away from me

Cause you know it could be dangerous (Ohhh)
Theres no guarentee what you get from me
Keep your heart away from me
Cause you know that I am serious (serious)
And I cant pretend that youre just my friend

Keep your love away from me (keep your love away from me)
Cause you know it could be dangerous
Theres no guarentee what you get from me (no)
Keep your heart away from me
Cause you know that I am serious
