## S Club, Down At Club S

To the S

Where do you wanna go When your life's in a mess? Where do you wanna be When your brain's under stress? Be what you can be 'cause you can impress Down at Club S (Club S, yeah!)

Take a ticket to your life And fly far from home You can take a chance You won't be alone Be what you can be 'cause you can impress Down at Club S

CHORUS: C.L.U.B, place you wanna be C.L.U.B, place you wanna be C.L.U.B, place you wanna be C.L.U.B, place you wanna be

Where do you wanna be If you feel like a star? We'll take you all the way No matter how far There's a method in the madness Never the less Down at Club S

Where do you wanna be Where words can't express? Everybody knows That life can depress Come on to the place Where you can impress Down at Club S Yeah

(Chorus)

De le la la la de dum (x8)

(Chorus)

When you're lonely Head for the best Club The one and only Wonderful s Club To the S

Where ya going to go When you head for the best Club The one and only Wonderful s Club To the S

De le la la la de dum (x3)

(Chorus)

C.L.U.B, place you wanna be (x2)
