

# S Club, Gangsta Love

Stand out  
There's something about the way that you do it  
So bottle it up, that way you won't lose it for love  
Big sound  
Dreaming you up, I'm feeling so erratic  
Your holding me down, I'm set to automatic  
So loud

Saw an apple in every vibe  
Whenever your rub-a-dubbin'  
Pineapple is playin all night  
He's the one, he's the one  
Baby

Day after day (my MC) putting the rest to shame  
Cos he'll be givin me gangsta, givin me gangsta love  
Day after day (my MC) gotta give up the name  
Cos he'll be givin me gangsta, givin me gangsta love

Spaced out  
Ready to take the seat of your intentions  
There's more then one thing that I forgot to mention  
Go down  
Turn 'round  
Been checkin' you out and watchin' you undo it  
Been pickin' it up and love the way you throw it all down

Saw an apple in every vibe  
Whenever your rub-a-dubbin'  
Pineapple is playin all night  
He's the one, he's the one  
Baby

Day after day (my MC) putting the rest to shame  
Cos he'll be givin me gangsta, givin me gangsta love  
Day after day (my MC) gotta give up the name  
Cos he'll be givin me gangsta, givin me gangsta love

Face down  
Wiped out  
Brotha let me peep this  
I'm a ga-ga-ga-ga-ga-gagaga  
Gotta keep the peace  
You got me spaced out  
Wiped out  
Brotha let me peep this  
I'm a gangsta, gangsta, gangsta  
Gangsta love

Pineapple is playing all night  
He's the one, he's the one  
Baby

Day after day (my MC) putting the rest to shame  
Cos he'll be givin me gangsta, givin me gangsta love  
Day after day (my MC) gotta give up the name  
Cos he'll be givin me gangsta, givin me gangsta love

Day after day (my MC) putting the rest to shame  
Cos he'll be givin me gangsta, givin me gangsta love  
Day after day (my MC) gotta give up the name  
Cos he'll be givin me gangsta, givin me gangsta love

Day after day (my MC) putting the rest to shame

Cos he'll be givin me gangsta, givin me gangsta love  
Day after day (my MC) gotta give up the name
