

S Club, She's Out Of My Life

She's out of my life
She's out of my life
And I don't know whether to laugh or cry
I don't know whether to live or die
And it cuts like a knife
She's out of my life

It's out of my hands
It's out of my hands
To think for two years that she was here
And I took her for granted I was so cavalier
Now the way that it stands
It's out of my hands

And I've learned, love's not possession
And I've learned, love won't wait
Now I've learned that love needs expression
But I've learned too late and

She's out of my life
She's out of my life
Damned indecision and cursed pride
I kept my love for her locked deep inside
And it cuts like a knife
She's out of my life
