

# S Club, Stand By You

Damn you I think I can feel  
Something special Going on  
Something that is happening between us  
I feel more than you could ever imagine  
It's so clear I want you to know...

## CHORUS

I'm gonna stand by you  
If you want me to  
I'm gonna stand by you  
If you want it tonight  
I will stand by you  
'Cause I wanna be with you  
I'll stand by you  
stand by you  
Stand by, stand by you (x 4)

I only want to to be with you (x 2)

Damn you, don't you know it's  
so good together us two  
Nothing's gonna come in between us  
I know we go in two different directions sometimes  
But you will always be on my mind

And if you think you ain't got nobody  
I just want you to know...

## CHORUS (x 2)

'Cause I want to be with you,  
I'll stand by you  
Cause I want to be with you,  
I'll stand by you
