

S Club, Stronger

What a feelin'
You're the reason
Can't conceal it
You can't beat it
You are vital to my survival
Come and skydive into my life

Now we're inseparable
No one is acceptable but you
Our love's indestructible
Our bond is unbreakable
That's true
Let the feeling take you

Now that I got you, baby
Now that I got you, baby
I'm feeling stronger
I'm feeling stronger

Now that I got you, baby
Now that I got you, baby
I'm feeling stronger
I'm feeling stronger

All stand up, stand up, stand up now
All stand up let the music take you

Expectations
No relation
Superstition
No addictions
Your outrageous
But contagious
I'm the fever that won't leave you

Now we're inseparable
No one is acceptable but you
Our love is indestructible
Our bond is unbreakable
That's true
Let the feeling take you

Now that I got you baby
Now that I got you baby
I'm feeling stronger
I'm feeling stronger

Now that I got you, baby
Now that I got you, baby
I'm feeling stronger
I'm feeling stronger

All stand up, stand up, stand up now
All stand up, stand up, stand up
All stand up, stand up, stand up now
All stand up, let the music take you

Now that I got you baby
Now that I got you baby
I'm feeling stronger
I'm feeling stronger
