

# S Club, Suck On It

i didn't know it could get so big  
but it grew times two after just one lick  
all this love i give to you  
everytime i fuck you  
just gives me crabs once more

(Chorus)

oh  
i'm a slut  
i'm a whore  
i've told you before  
if you you won't pay for it  
i won't suck on it

i let it down  
cuz you've been renowned  
for cheating us simple hoe  
i just want you to know  
that S Club are here to stay

(Chorus)

if you're not going to pay me  
i won't be fucking  
and if i'm not fucking  
i won't be working  
and if i'm not working  
my bastard children will starve

(Chorus) x2
