

Sabrina Carpenter, Darling I'm a Mess

This might be wrong, but here's all I know, here's all I know
Most times I pretend that he's just a friend, he's just a friend
Yeah I'll try to make our hearts beat in time
Even though your rhythm might not be with mine

But darling I'm a mess without your love
Heaven knows I'm trying, trying to get by
But darling I'm a mess without your love
All I need is one more goodbye kiss

Your lips are missed, 'cause they're all I know, I can't let you go
And I won't forget, all that you say is engraved in my head
Yeah I'll try to make our hearts beat in time
Even though your rhythm might not be with mine

But darling I'm a mess without your love
Heaven knows I'm trying, trying to get by
But darling I'm a mess without your love
All I need is one more goodbye kiss

No oh, a goodbye kiss
Yeah I'll try to make our hearts beat in time
Even though your rhythm might not be with mine

But darling I'm a mess without your love
Heaven knows I'm trying, trying to get by
But darling I'm a mess without your love
All I need is one more goodbye kiss
